Dear Parent/ Carers

We are excited to be able to share our final OFSTED report with you.

We are pleased that the Inspectors recognised the hard work and dedication that the school puts into 'ensuring the curriculum and teaching provides a broad and ambitious curriculum'. We are delighted that our Early Years was recognised for 'giving children the best possible start to their education'. We know we have 'an inclusive culture across the school' and the Inspectors agreed with this.

The inspectors also identified that 'Leaders keep pupils' best interests at the heart of everything they do' and we will continue to do this to ensure your child achieves the best they can.

The Inspectors identified that the school gives pupils access to enriching experiences and works to raise the aspirations of pupils and the culture of the school is positive.

The Inspection team highlighted that some pupils 'do not achieve as well as they should because they miss out on too much learning'. As a result, attendance and attainment need attention so we will continue to work with families to ensure attendance is at the highest possible level so that all children are able to progress academically.
